Mr. A. Molter, Purchasing Agent
Lehigh University Library
Lehigh University
Bethlehem, Pennsylvania

Dear Mr. Molter:

I regret to say that my Lowell lectures of 1959 do not exist as yet in the form of a book. In fact, only the first lecture, "The Theory and Practice of Blackmail" is in a form suitable for distribution.

I enclose a copy of that lecture, which is not, by the way, a RAND publication.

Sincerely yours,

Daniel Ellsberg
Economics Department
